LANGLEY INSIGHTS NEWS & STORIES

Happy Thanksgiving!

Our President's Message

As the end of the year rapidly approaches, HMC will spend November honoring our veterans and their families. November 11th is an important day for us to pay tribute to those who have served our country. In honor of this, we launch our 2nd annual "30 Days for

30 Families" initiative. We are asking for you to submit stories of veterans which we will feature across our social media platforms throughout the month. These powerful stories are being collected and will be placed in a commemorative book. November and the Thanksgiving season gives us all a chance to pause and count our blessings. At HMC we remain very thankful for the families who live within our communities and for the opportunity to serve you. We were particularly moved by everyone's generosity in October as our Helping Hands program gathered food for more than 36 Food Banks throughout the country. Our heartfelt thanks to you and your families.

Best,

John Ehle

Thank You for Your Service

To our men and women in uniform, past, present and future, Hunt Military Communities thanks you for your service.

Helping Hands Foodbank Donations

We wanted to give a huge shout-out to our community. We are overwhelmed by the response of our residents to help stock up our community's local foodbank. 🍷 Members of the community donated 283 bags of groceries to the Virginia Peninsula Food Bank. The foodbank estimated approximately 2,350 pounds of food which equated to at least 2,820 meals! 🍷 Amazing job Langley families!

Jessica Rawles is our newest member to join Hunt Military Communities as a Leasing Specialist. She was born and raised in Hampton, Virginia and graduated from Bethel High School. She currently attends Strayer University for her Bachelors in Business Management. Jessica has a 6 year old son named Michael Jr. In her spare time, she enjoys spending it with her family. Jessica worked in the hospitality industry for 10 years in a number of different positions ultimately ending up in Human Resources for the last 4 years. Although she decided to take a turn in the opposite direction and change careers, she is excited for what it has to offer and where it will take her!
