LANGLEY INSIGHTS NEWS & STORIES

Happy Saint Patrick's Day!

Our President's Message

Hunt Military Communities celebrates the youngest members of our communities. The smallest warriors, the children, often make some of the most significant sacrifices moving from state to state, school to school, and having parents deployed for long periods, along with the myriad other challenges military families face. We are

proud to acknowledge and support the tremendous strength and resiliency children of our military families display. To recognize military children, we have launched our 2nd annual "Hunt Little Heroes." We ask that your children share stories of what they think it takes to be a hero and how they've been a positive influence in their community. Applicants are asked to submit a 300-word essay, a video no longer than 2 minutes, or a drawing telling their "Hero Story" in their own unique way. For the "younger" heroes, a photo with a short caption may also be submitted. All applicants will receive a complimentary Hunt Little Heroes cape and mask. We will select the top three submissions and give a cash prize to each. Applicants can visit <https://learnmore.scholarsapply.org/huntheroesscholarship/> to see if they qualify, and to submit their story. From all of us here at HMC, thank you for your service and sacrifice.

Best,

John Ehle
President
Hunt Military Communities

Spring is Almost Here

The first day of Spring is March 20th! If you're like us you're super excited for the beautiful weather to arrive, the flowers to start popping up, and more outdoor time! We were too eager to wait for spring and have started the flowerbed refresh. You may have seen us out in the community as we are working to refresh the mulch, remove litter, and dress up our community's curb appeal!

Fun Family Events

We are working hard to bring our family's socially distanced, fun and free events! This month we have lucky St. Patty's day themed snack and craft kits, a lucky spin on our Rock the Walk event, and have a virtual Bunny Hop 5k in the works. Don't forget to follow our Facebook page. We share pop reminders about our Langley Little's crafts, snack packs to go, trivia, games and much more!

CEL Survey

Congrats to all our CEL Winners!! And a big thank you to everyone who responded to the survey this year. Your opinion on the community helps us know how we are doing. We greatly appreciate all the feedback that was provided and always look forward to serving our families.

March is National Maintenance Month

Langley Military Community is lucky to have such a great maintenance team. We are grateful for everything they do and the hours that they put in to keep our property running smoothly during these challenging times. If any of our maintenance staff have gone that extra mile we would love to hear about it. Please share your experience on Facebook message or email rebecca.mccallister@huncompanies.com

St Patty's Day FUN

March 17th is St Patty's Day! It may seem difficult to celebrate while socially distancing but here are some ways spread some luck (and not germs).

- **Decor:** Take a trip to your local dollar store. Streamers, colorful signs, fun glasses, and anything else that makes you feel like you're having your own mini party!
- **Music:** Find a radio station that streams traditional Irish folk music. There are lots of free apps and you might hear something new you like!
- **Food:** Any foodies out there? Now's the time to try something new! Look up a new recipe or make a family favorite. The easiest tip to help make it feel St. Patty's ready is don't forget a little green food dye!
- **Games & Contests:** Remember that tip to hit the dollar store? You can have a fun at home costume party and snap or zoom pics to family and friends, pick up some trivia or play a family favorite while enjoying your holiday food creations.

These are just a few ideas! We'd love for you to share how you plan to celebrate while socially distancing!
