LANGLEY INSIGHTS NEWS & STORIES

PROUDLY SUPPORTING
THE MONTH OF
THE MILITARY CHILD

Our President's Message

April is a special month for our HMC families as we celebrate the Month of the Military Child. It is a time to honor the sacrifices made by military families worldwide and especially the dependent children of military

members serving at home and overseas. Since 9/11, over 2 million children have had a parent deployed overseas, and come have had a parent deployed multiple times. Military youth of today promise to be some of the most active and involved populations in our nation's history. It is only fitting that we take time to celebrate them in a special way. Thank you to our military families with children who continue to teach and inspire our future leaders.

Best,

John Ehle
President
Hunt Military Communities

Bunny Hop 5k and Family Fun Run

Let's hop to it! Our Virtual Bunny Hop 5k and Family Fun Run is going on from April 2nd-12th! This fun run is a great way to get rid of spring fever and get active.

First Socially Distanced Egg Hunt Success!

Thank you to all our families who sent in their RSVPs for our 1st Socially Distanced Egg Hunt. We had so much fun "egging" your homes. We hope your Langley Littles enjoyed the special surprise just for them!

Earth Day Initiative

Earth Day is an annual event celebrated around the world on April 22. It was first celebrated in 1970 and now includes events in more than 193 countries. On this day the goal is to support environmental protection and bring awareness to these topics. To show our support we are hosting a mini Earth Day week from April 19th-23rd! Each day we will have a topic to help inform our families about proper disposal of trash and recycling, ways we can go-green, provide to-go information, and much more! Be on the lookout as we share these important Earth Day topics specially catered to our Langley families!

Let's Celebrate Spring!

Spring is known as a time to renew and refresh! After being stuck indoors, it's a great time to get outside and enjoy the beautiful blooms popping up. There are lots of ways you can embrace this season while practice safe distancing.

- We're sure you heard of spring cleaning! It's a great time to finish organizing and personalizing your space.
- Now is the time to start planting and getting your seeds sprouting.
- Pick up a hobby or brush up on your camera skills. There's lots of beautiful blooms to see!
- Thinking of blooms, this is a great time of year to visit botanical gardens, travel to see cherry blossom trees, or visit a plant nursery.

Don't forget to check for restrictions while you are planning your visit. How will you be welcoming spring? We'd love to hear your suggestions.
