Our CEO's Message

Dear HMC Residents,

I am honored and humbled to be a part of the Hunt Military Communities' family. As the new CEO, I look forward to continuing with the company vision of providing 5-Star Service and excellence in housing. As a former Marine, I understand first-hand the challenges service members and their families face when moving to a new community and the importance of providing quality housing.

Over the next several months, I will be visiting many of our HMC communities with the intention of meeting residents, touring homes, and looking for ways to make your living experience the very best it can be. I will tirelessly search for ways Hunt Military Communities can improve our service delivery and homes to enrich the lives of our residents. Our nation's military service members became my heroes after two combat tours in the Marine Corps, and I greatly look forward to serving our military families. As always, we want your feedback, and our Hunt Promise Helpline (<https://www.huntmilitarycommunities.com/contact-us>) provides an easy way for you to share your feedback or address concerns that have not been appropriately tended to at the site level. Transparency and open communication will help HMC to provide you great service.

Backpack Brigade

Hunt Heroes Foundation and Operation Homefront are excited to be working in collaboration again this year to bring school supplies to military families in advance of the upcoming 2021 school year. This year, HHF will be delivering 2,100 backpacks filled with school supplies and distributing them throughout the month of August to HMC communities within the continental U.S. and Hawaii. Through the event, HHF aims to alleviate some of the financial burden military families face when getting their kids ready for school by providing backpacks with a variety of needed supplies, including pens, pencils, paper, scissors, and binders all tailored to the needs and grade levels of the children. This program is open to school-age children between the ages of 4-16 who reside in an HMC home. Visit backpack.huntheroesfoundation.org/
