# LANGLEY INSIGHTS **NEWS & STORIES**

## Happy New Year!

### Our CEO's Message

Dear Hunt Military Communities Residents,  
Happy New Year!

Hoping this finds you well after the holidays and ready for 2022. At Hunt Military Communities, this is a time for our teams to reflect on the past year and prepare for what I know will be exciting changes coming for our residents. In 2022, HMC will strive to meet and exceed the

needs of our residents by focusing on several key areas. Our main area of concern is your Resident Experience and the delivery of service by our team. Focus groups will be utilized at many communities so that we can better understand any perceived shortcomings and actively seek to improve our service to you. We are committed to the long-term health of our communities and by continuing to develop programs and services that benefit our residents, we hope to see our communities continue to flourish. Please stay tuned for updates on these, and other programs. Again, Happy New Year and best wishes for a happy, healthy, and successful year!

All the best,  
Brian Stann

Hunt Military Communities  
President & Chief Executive Officer

## Happy New Year!

We are excited to welcome a new year. We have lots of things planned for 2022! Each month we host activities for our families like virtual paint night, craft kits to-go, after school snacks, and more! We also post to our social media regularly with some challenging brain teasers, trivia, and cute contests like pet of the month. As we move into 2022 we are so happy you are here with us! Here's to welcoming a wonderful new year!

## Winter Weather

While the weather outside has not been frightful, it is important to review winter weather safety for the cold temps ahead. Freezing temperatures can pose several concerns. We want to encourage our families to stay safe and review recommended safety tips for this time of year.

## Holiday Reminder

We have enjoyed seeing all the beautiful holiday decorations throughout the community this season. Just as a reminder that all decorations and lighting must be removed no later than January 10th. Live Christmas Trees can be put out with your bulk trash pickup.

## Taking a Break After the Holidays?

This time of year is always busy for traveling. If you plan on heading out for a little time away don't forget Langley Military Community requires that residents provide advance notification when their home will be unoccupied for more than 7 days. We have a form called Notification Of Absence From The Home. Please contact your Resident Service Specialist and we can email it to you or stop by our office to pick one up.
