# LANGLEY INSIGHTS NEWS & STORIES

## Happy Valentine's Day!

### Our CEO's Message

Dear HMC Residents,

As we head into February, I want to share with you an important opportunity for those looking to attend secondary schooling at a 2-year, 4-year, or technical school. Hunt Military Communities, in partnership with the Hunt Heroes Foundation, is once again excited to sponsor our fourth annual scholarship program. This year we will be awarding 18 scholarships totaling \$50,000.

Those eligible include any active service member or their dependents. This is open to any branch of our armed forces and you do not need to be a Hunt Military Communities resident. All scholarship applications must be filled out online at: <https://learnmore.scholarsapply.org/huntheroesscholarship>. The deadline to submit a nomination is February 22, 2022, at 3 pm CST, or until 50 applications are received, whichever comes first. Even if you do not have a need this year, we invite you to share this opportunity with someone who qualifies. This is one of many charitable endeavors Hunt Military Communities is actively pursuing. We have supported several of the top rated charities that serve our active duty & military veteran populations. Our partner charities support military members with career transition, housing, education, and mental health. Tunnels to Towers, Hire Heroes USA, Travis Manion Foundation, and our Hunt Heroes Foundation Scholarships are all part of our desire to go above and beyond providing housing and property management services to our nation's heroes and their families. Thank you very much for choosing to live with HMC, and we hope you have a wonderful month!

All the best,  
Brian Stann

## Virginia is for Lovers

You may have heard of the popular slogan "Virginia is for lovers" and though its meaning is different for everyone, there are several reasons to love where you live. Here are a few great reasons to explore VA while you are stationed here with us!

Virginia happens to be very rich in history. We had some of the first settlers arriving to Jamestown, we're close to Williamsburg, and boast lots of museums celebrating America and the transitions we've made over the years.

Love the outdoors? From beaches and waterways to the mountains a few hours away, there are plenty of great places to explore. Take a Sunday drive through small towns or a weekend escape to make your time in VA memorable.

Our activities don't stop with the outdoors. We love our events too! With festivals, fun runs, and gatherings for families there is always something fun going on. And let's not get started on all our wonderful food and concoctions! Let's just say with all this state has to offer there is a reason "Virginia is for Lovers."

## Hunt Heart Program

Thinking of Valentine's day and hearts... have you heard of our Hunt Heart Program? We offer this to our spouses of deployed service members. We would love to give you some extra support. Let us help check off some of those "honey do" chores around your home. Reach out to your resident service specialist for details on how you can sign up.

## Upcoming Activities

This month of love, we have *you* in mind! We have planned some fun social distanced activities for our families. We are kicking off the month with valentine card kits to go, hot cocoa bar to go, and hosting a virtual couples paint night with a special Valentine's day theme! These are events for you and your family and we would love for you to join us!

## Love Some Good News?

We do! We had a wonderful response from our families who participated in the CEL survey. We are looking forward to hearing what you had to say and how we could continue to serve our families. If you have a suggestion or event idea don't hesitate to reach out. Your Resident Service Specialist is your community liaison and wonderful point of contact to discuss these ideas with. Thank you for allowing us to serve you and call Langley Family Housing your home.
