LANGLEY INSIGHTS
NEWS & STORIES

Our CEO's Message

April is the Month of the Military Child and during this month, Hunt Military Communities celebrates the youngest members of our communities. Military children, often make some of the most significant sacrifices moving from state to state, school to school, and having parents deployed for long periods of time. We are proud to acknowledge and

support the tremendous strength and resiliency of our military children, along with the sacrifices. This year, for the third time, we are hosting our Hunt Little Heroes program. Encourage your children to share stories of how they have been a hero and positive influence in their community. Applicants are asked to submit a 300-word essay, or a video telling their "Hero Story." All applicants will receive a complimentary Hunt Little Heroes cape, mask and challenge coin. Three winners will receive cash prizes and matching donations to the charity of their choice. For more information please visit <https://www.huntheroesfoundation.org>. From all of us here at HMC, thank you for your service and sacrifice.

All the best,
Brian Stann

March Recap

We had a great turn out for our virtual Lucky Bingo Game! Congratulations to our winner! They were quick but you all had sharp eyes and caught our leprechauns throughout the community. Our virtual paint night was a huge success this month. We hope to do more later on this year.

Our Community Looks Great

Thank you for all of those that take pride in their yards, common areas, and the community as a whole. We will be starting our Garden of the Month recognition program this month!

Friendly Reminder

Friendly reminder that boats, trailers, and RV/campers can not be parked on the property for extended periods. We allow 24 hours before and 24 hours after use for loading and unloading. Warmer weather means more outdoor activity. Please watch out for children playing. The community speed limit is 15MPH.

Hunt Heart Program

Families of deployed service members may visit the Welcome Center to inquire about and enroll in the Deployed Spouse Program. This voluntary program will assist the spouses and families of those military members who have been deployed with certain tasks, including but not limited to: backyard lawn maintenance, and toy or furniture assembly.
