OCTOBER IS ENERGY ACTION MONTH

Get ready to power up and make a difference in our community! October is officially Energy Action Month, and we're excited to invite you to join us in taking meaningful steps towards a more sustainable and energy-efficient future.

Every small action counts, and together we can create a lasting impact on our environment and on reducing energy costs. Here are some simple yet powerful ways you can participate in Energy Action Month:

- 1) **Turn Off and Unplug:** Be mindful of turning off lights, electronics, and appliances when not in use. Unplugging chargers and devices can make a significant difference in reducing energy consumption.
- 2) **Optimize Thermostat Settings:** Adjust your thermostat to conserve energy. Lower the temperature in cooler months and raise it in warmer months to save on heating and cooling.
- 3) **Conserve Water:** Report any leaky faucets and take shorter showers. Every drop saved helps in conserving this precious resource.
- 4) **Switch to LED Lights:** Replace traditional light bulbs with energy-efficient LED bulbs. They last longer and consume less electricity.

Join us in this exciting initiative to make a lasting impact on our environment and reduce our collective carbon footprint. Together, we can create a more sustainable future for our families and generations to come. For more energy conservation tips, visit <https://www.huntmilitarycommunities.com/resident-resources>. Let's shine a light on energy efficiency and show our neighbors what we can accomplish together!

COMMUNITY ANNOUNCEMENTS

It has been a very busy PCS Season at Langley Family Housing! We want to say WELCOME to ALL our new residents. We hope that you are settling in here at Langley well and enjoying your new home!

The 2023 school year has started and there is more traffic in the morning. Please be mindful of the 15MPH speed limit throughout the community. Remind children to walk and ride bikes on the sidewalks and not on the road. There is still time to enjoy the outdoor activities. Be aware of children at play. Basketball hoops must be pulled back from the curb when not in use. Trailers, campers, and boats are not to be parked within the community longer than 24 hours for loading and unloading.

BE IN THE KNOW! We send information out to our residents in many different ways. We don't want you to miss out on all we have in store for Langley. Please contact the office at 757-920-7100 to update phone numbers, emails, and occupants. Service members and spouses should have access to our resident portal and communications.

Our Office will be CLOSED for the following holidays...

GOOD NEWS STORIES

The annual Tenant Satisfaction Survey is right around the corner. This is your opportunity to provide your feedback. We strive to create an exceptional living experience for our residents. We want to know how we excel or areas we can improve on. All completed surveys are entered into a prize drawing. Prizes range from a robot vacuum, coffee bars, and gift cards. We hope you will share your experience with us.
