Swimming Season Has Arrived

The splashpad and pool are officially open and ready for business. Please have your pool passes on you when utilizing these amenities. Please contact our office if you need to pick up your pool pass.

This is also a great time to check your speed throughout housing. Children will be out of school and spending a lot more time outdoors. Always be aware of your surroundings.

We would love for you to share your summer fun pictures on our Facebook Page.

Summer Tip

PCS season has arrived. With so many things to take care of during a move, consider taking advantage of our Move & Go option. This will allow you the opportunity to have one less thing to worry about. Ask your Resident Service Specialist about this service today.

Our Move & Go program eliminates the majority of the cleaning responsibilities at move out.

Hunt Update for Summer Safety

No matter where you live, summer and water seem to go together. Here are a few items to keep in mind this season:

With mosquitoes on everyone's mind, eliminate standing water areas, such as bird baths, kids' toys, pails, wading pools, plant saucers or other places where water may accumulate.

It's also prime time for open windows. Keep in mind that window screens keep bugs outside – they don't keep kids inside. Ensure children are supervised when windows are open and keep furniture which could be climbed away from windows.
