Back to School Thoughts

It is almost that time again. Have you considered how you will get the school age kids back into their routine? Start to read everyday and implement school year bed times this month. There are some great resources online that provide printable worksheets to get back in the homework habit. Share your ideas for other parents on our community Facebook page.

Maintenance Tip

End of Summer Storage Tips to get the most out of your patio furniture:

Clean with a mild detergent and water. Avoid abrasive powders, chlorine bleaches and silicone cleaners. Acrylic, polyester and cotton fabrics should be spot-cleaned by sponging with a solution of liquid dishwashing detergent and lukewarm water. Rinse with clear water and air-dry.
