## Happy New Year 2018

Happy New Year, Langley family! We are so excited to ring in the new year here at Langley. We encourage you to explore new and exciting things to do in our community. Get out of your comfort zone and consider attending one of our awesome events for a chance to get to know your neighbors. Try out our state of the art fitness center to focus on your health goals or enjoy some quiet time in our Off Base Welcome Center lounge.

Are you ready for the cold weather? Keep in mind that you should be aware of freeze warnings for our area. There are certain things that you can do to help keep your family safe. We post tips and tricks to our Langley Family Housing Official Facebook page as well as send important information out via email to all of our residents. Take a moment this month to confirm that we have the most current personal email address on file for you with a member of our team. We want to ensure you get real time information from our office.

ONE MISSION. ONE COMMUNITY.
