Yard of the Month

The summer season is busy for many families. Be sure to take advantage of our online work order request system. Visit www.langleyfamilyhousing.com and click on Maintenance Request to enter yours today. Feel free to enter multiple requests with one submission to save even more time. Our team will get an email and enter these for you.

The thing to remember on this 4th of July is that the only safe firework is the one that you did not light. Take a moment to go to a local event to enjoy the displays.
