End of Summer

CEL Alert
It is
coming
\$\$\$\$\$\$

We made it through another busy summer here at Langley Family Housing. We had some awesome events. Ben & Jerry's Ice Cream Cool Downs, Popsicles on the Pad and at the Pool, Family Bingo games and so many more. As the summer winds down, we just wanted to take a moment to say thank you for allowing us to serve your family.

Time to get the school age Littles back on a routine. Set aside a few minutes each day to read, limit screen time and implement a good bedtime. This will allow for a much easier transition back to the school year rules.

Save the Dates

We have some awesome free events each month for our residents.

ONE MISSION. ONE COMMUNITY.
