ISSUE 3 : March 2019

Spring is in the Air at LFH

Spring Cleaning Safety Tips:

Ready to tackle spring cleaning chores?

Don't try to do it all in one day. It's hard to stay safe when you're tired or rushed. Lift properly- keep your back straight and lift with your legs. Or find a buddy. Be cautious using ladders and step stools. Follow cleaning product safety information. Read the label and use as directed.

Keep cleaning buckets out of reach of little ones.

Clear away clutter to avoid trip hazards.

Check your fire extinguisher.

Replace smoke and CO detector batteries.

If you have questions about your detectors, please contact maintenance at 757-766-0136.

March is National Maintenance Month.

Langley Family Housing is lucky to have such a great maintenance team. We are grateful for everything they do and the hours that they put in to keep our property running smoothly. If any of our maintenance staff has ever gone that extra mile we would love to hear about it. Email or Facebook message your maintenance appreciation story.
