Our President's Message

I want to welcome you to the first ever President's Message. I'm excited to have this opportunity going forward to fill you in on some of the things happening at Hunt Military Communities nationwide, and to tell you a little bit more about our employees and our dedication to you, our residents. 58% of our employees have some personal military affiliation. They are either retired military, a veteran, spouse, or was a military child. This special bond with the armed forces allows us to understand first-hand some of the

challenges military families face, and helps drive our desire to take care of everyone who is a part of a Hunt Military Community. At Hunt, an important part of our job is to share our endless gratitude with our residents. Staff shows their appreciation for residents in a variety of ways. From weekly get-to-know-your-neighbor events to partnering with military nonprofits, our mission is focused on giving back to our residents who give so much, and to the communities that support them. Hunt is committed to supporting positive change for our residents, employees and our neighboring communities through efforts that are focused on military issues, health, education, housing, and community betterment. We know you have a choice in where you want to live, and we are grateful you trust us to serve you.

Best,

John Ehle
