LANGLEY INSIGHTS NEWS & STORIES

One Great Place. Five Great Communities.

Our President's Message

The month of June was a very busy month for Hunt Military Communities. As most of you saw in the recent letter we sent to each of you, we've heard loud and clear that we need to be more responsive to the needs and concerns of each of you, which means giving you a stronger voice and making sure that you are heard within our communities. To that end, we've undertaken a top-down review of our processes, policies, training programs, and the tools at our residents'

disposal to ensure we fulfill our responsibilities. All of those changes are outlined in the letter you should have received. If you have not, please let your Community Director know as soon as possible.

Also in June, HMC's non-profit organization, the Hunt Heroes Foundation (HHF) had a very productive meeting with Stop Soldier Suicide (SSS). SSS and HHF have a very strong relationship, and this strategic meeting outlined ways that we can help support their mission in ending suicide among active duty military members, veterans and retirees. Stay tuned for more information on how this partnership will evolve and what you can do to support it. As always, if you are interested in learning more about the Hunt Heroes Foundation, or supporting its cause, please log onto huntheroesfoundation.org

Best,

John Ehle

Happy Birthday America

As we celebrate our nation's birthday, let's take a moment to remember those who continue to fight for us. Our freedom is not free and we appreciate all of our service members and families. During your 4th of July celebrations, remember that the only safe firework is the one that you did not light. Fireworks are not allowed in the community. Keep an eye on our Facebook page for local festivities for you and your family to enjoy the awesome fireworks displays.

Maintenance Reminder

The summer season is busy for many families. Be sure to take advantage of our online work order request system. Visit www.langleyfamilyhousing.com and click on Maintenance Request to enter yours today. Feel free to enter multiple requests with one submission to save even more time. Our team will get an email and enter these for you.

Please Help Us Welcome Emily
