Our President's Message

Hunt launches HEART Program

By John Ehle

As we progress through August, everyone is focused on getting the kids back to school and thinking about all those chores that were put on hold while having fun over the summer. At Hunt, we've been focused on finding more ways to support our military families. This month, Hunt launched the HEART Program. HEART stands for Hunt Embraces: Activities, Resources & Training and this new program provides services and educational training in the areas of navigating military life, how to access base resources, and activities for children and families. Some new services you can look forward to include: a comprehensive Resource Guide including on-base and local community resources, introduction and guidance when navigating through new local school systems, extra maintenance hours to deployed spouses so when requested for thing such as removing Christmas trees, assisting with hanging pictures, etc., and special events in support of deployed service members such as preparing and mailing care packages twice a year and delivering special treats to spouses on Valentine's Day. And there is much more. Get in touch with your Resident Service Specialist for more information or to take advantage of these great programs.

Best,

John Ehle

Back to School Bash

Thank you to all our residents that came out for the Back to School Bash. We enjoyed sending the summer off with a bang! We hope everyone has a great school year.

Let's Talk About Work Orders

Did you know we are going mobile? This month we will be rolling out the new Military Cafe. This online resident portal allows you to easily and instantly submit maintenance request along with photos. If you have updated contact information that you have not already made us aware of, please call or stop by the office.

Back To School!!!

Consider setting up a homework/project area. Encourage kids to get their work done with an area that is comfortable, attractive and well organized. Ideally, make available a large surface for spreading out big or messy projects.

CEL Celebration is Coming Soon!

The annual CEL resident satisfaction survey is quickly approaching! We rely on your survey responses and comments to highlight what we're doing well in and around the community, and the opportunities we may have. We would love to hear from you. Please be on the lookout for additional information via email and at your home.
