## Our President's Message

I am pleased to announce that for the second year, Hunt Heroes Foundation, the non-profit organization founded by Hunt Military Communities, will be awarding scholarships to help enable the ongoing education of military members and their families. Last year we were able to help nine worthy students and awarded \$20,000.

Because of the generous donations we received this year, we are able to increase scholarship awards and recognize 12 recipients and award \$30,000 in scholarship grants in 2020. I encourage you to apply if you or a loved one meet any of the following criteria:

A high school senior or high school graduate or a current postsecondary undergraduate at an accredited two- or four-year college, university or vocational school or a trade school student; or Planning to enroll in full-time undergraduate study at an accredited two- or four-year college, university, or vocational-technical school for the entire upcoming academic year.

For more information and to fill out an application, go to <https://www.scholarsapply.org/huntheroesscholarship/>

The deadline to submit a nomination is **3:00 p.m. Central Standard Time, February 21, 2020, or until 50 applications are received, whichever comes first.**

Best,

John Ehle  
President  
Hunt Military Communities
