LANGLEY INSIGHTS NEWS & STORIES

School is Back in Session!

Our President's Message

In the Spring of 2020, we partnered with Blue Star Families in a campaign to collect the most ingenious MilFam cleaning hacks. It was such a hit that we're doing it again this Fall! AND all of the finalist videos in that competition can be found at: bluestarfam.org/milfamspringclean.

There are so many great tips there for you to check out! Stay tuned for more information in the coming days on the Fall version where we'll be collecting even more great ideas. We are proud to partner with Blue Star Families and want to encourage you to take full advantage of all the great (and free!) programs and services this awesome organization has to offer. You can find a local chapter, peruse career opportunities geared towards military spouses, find great activities for your kids, or participate in their many virtual programs by going to: bluestarfam.org. From all of us at HMC, I hope you and your family continue to remain safe and healthy.

Best,

John Ehle
President

Spouse Outreach Support (SOS) Program

This program is designed for those families who have a deployed family member. Please be sure to enroll in the program so that we can make sure we are doing our very best to give you some additional support while your loved one is deployed. Spring and Summer are coming, let us take care of your lawn maintenance and weeds. It's simple to enroll. Please reach out to the management office.

September is World Beach Month

This celebration was created to bring awareness of the importance, beauty, and enjoyment the beach brings. Living at Langley Family housing we are close to several great beaches and water ways. Now is the perfect time to head outdoors and enjoy some of the beautiful spaces our area has to offer.
